

Graduation Requirements

Graduation Requirements for Lake County School District

Lake County School District has two high schools that have different graduation requirements and receive a diploma from their school of graduation. Lake County High School is classified by the Colorado Department of Education as a traditional high school and must meet the state requirements for a traditional high school. Students meeting the graduation requirements for Lake County High School will receive a Lake County High School diploma. Cloud City High School is classified by Colorado Department of Education as an alternative education center “AEC” and must meet the state requirements for an alternative high school. Students meeting the graduation requirements for Cloud City High School will receive a Cloud City High School diploma.

Graduation Requirements for Lake County High School

Lake County High School values diverse educational experiences for our students. Through a variety of course offerings and partnerships with our local community students are able to explore different career pathways, post-secondary options and participate in internships.

To receive a high school diploma from Lake County High School in 2025 and each graduating class thereafter, students must meet or exceed the district’s academic standards and measures required by this policy. Students with disabilities shall be provided access to all graduation pathways provided by this policy and shall have the opportunity to earn a high school diploma from the district. Any modifications to the graduation credit requirements or pathways as outlined below for students in special education will be outlined within the student’s individualized education plan (IEP).

Graduation Requirements for Cloud City High School

Cloud City High School's mission is to provide a comprehensive high school experience, designed to equip students with a strong academic foundation that nurtures skill development, fosters social growth, encourages exploration of interests, and prepares students for success in college, career, and community engagement in the 21st century. We offer a fresh start opportunity for students who have faced challenges in traditional high school settings, empowering them to cultivate academic, social, and vocational competencies necessary to become collaborative individuals capable of making informed life choices. Our commitment is to ensure that every student, irrespective of past struggles, receives individualized support to achieve personal, social, and professional growth, enabling them to pursue their post-secondary career aspirations with confidence and resilience.

Competency Pathway

CCHS requires students to be enrolled a minimum of 360 hours of coursework during the first semester to be considered a full-time student and a total of 1080 by the end of the school year. Prior to graduating, a student will have been enrolled in a high school program for no less than four years.

We use a combination of in-school participation, concurrent enrollment courses, work-based learning (internships - paid and unpaid), and participation in LCHS electives to account for weekly attendance.

The competency pathway at CCHS requires students to demonstrate 21st century skills and show their career readiness by developing and working as directed by an Individual Career Academic Plan documented in their Capstone Portfolio Project through the 21st century interdisciplinary themes:

- College and/or Career Readiness

- Global Awareness
- Civic Literacy
- Health Literacy
- Financial Literacy
- Environmental Literacy
- Media Literacy
- Mathematics

The competency pathway is only available at Cloud City High School and although it is a non-credit based pathway, some credits are available as students work toward graduation.

Credit from Other Institutions and Home-Based Programs

The principal or principal’s designee shall determine whether credit toward course requirements shall be granted for courses taken outside the district.

In accordance with applicable state law, college courses completed pursuant to the student's participation in a "dropout recovery program" shall count as credit toward completion of the district's credit requirements.

Students entering from home-based education programs must submit student work or other proof of academic performance for each course for which credit is sought.

Class Rankings and Grade Point Averages

Lake County High School and Cloud City High School do not implement class rank. If a student has a need for a class rank or percentage for purposes such as admission to a college, a scholarship program, or a similar post secondary opportunity, then they can request this through the school's counseling office.

If student rank is requested by the student, then the student shall be ranked within the graduating class on the basis of grade-point averages "GPA" for the four-year program, excluding the last semester of the senior year. The student with the highest GPA will be valedictorian. When more than one student holds the same GPA, all students holding the GPA score will be declared co-valedictorians. The student with the second highest GPA will be salutatorian. When more than one student holds the same GPA, all students holding the GPA score will be declared co-salutatorians.

After a course has been passed, no future grade earned in the same course shall be used to determine grade point average.

When transcripts of transfer or home-based education program students show grades such as pass or satisfactory, such grades shall not be counted in determining grade point average. When transcripts of transfer or home-based education program students show grades such as letter or numeric scores, such grades shall be counted in determining grade point average.

Grade Scales

Grade scales provide a method of scoring students' academic performance or coursework and correspond letter grades to numeric scales.

Grade scale conversions for Lake County High School and Cloud City High School are as follows:

Grade Percentage Scale Conversion	Grade Point Average Scale Conversion
A = 93-100%	A = 4.0
A- = 90-92%	A- = 3.7

D = 63-67%	D = 1.0
D- = 60-62%	D- = 0.7
F = 0-59%	F = 0.0

Courses taken as concurrent enrollment courses through Colorado Mountain College or other accredited colleges that are considered by the State of Colorado as guaranteed transfer courses will be graded on a 5.0 scale, with each of the grades above except an F increased by a point value of 1.0.

Early Graduation

The Board of Education believes that most students benefit from four years of high school experience and are encouraged not to graduate early. However, in some cases, students are ready for postsecondary education or other opportunities at an earlier age. Therefore, the principal may grant permission to students wishing to graduate early, provided the student has met all district graduation requirements in accordance with this policy.
